

THANK YOU FOR PURCHASING A ROCKY HORROR PICTURE SHOW CRAP KIT!

- Absolutely NO other/outside props are allowed.
- DO NOT throw items at the screen or at the performers.

HOW TO USE YOUR KIT:

Balloon (latex): Blow up your balloon before the movie starts. When Brad backs up the car and the tire blows out, pop the balloon.

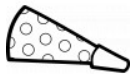

Newspaper: When Brad and Janet exit the car, put the newspaper on your head.

Cell phone light (not included): Whenever Brad and Janet sing “There’s a light,” turn your phone light on. Turn it off whenever they sing “in the darkness.”

Rubber glove (latex-free): Frank snaps his glove three times during his speech in the lab. Snap yours after Frank says:

- “You get a break”
- “I hold the secret to life itself!”
- “Tonight is the night...”

Noisemaker: At various points during Frank’s speech, the Transylvanians applaud and use noisemakers. You should do the same.

Toast: During dinner, when Frank lifts his glass and says, “A toast,” throw your toast.

Party hat: When Frank puts on his party hat, you should do the same.

Paper plate: When Frank pulls the cloth off the table, toss your plate.

Sponge: After the song “You’re a Hot Dog,” when Columbia calls Frank a sponge, throw your sponge.

Playing cards: During the song “I’m Going Home,” when Frank sings “Cards for sorrow, cards for pain,” toss your playing cards into the air.

Rope: When Frank is (spoiler alert!) killed and a rope falls on his body, toss the rope into the air.

THANK YOU FOR YOUR AUDIENCE PARTICIPATION!
